

Newbie from Cork

Posted by Ryano - 2015/05/29 14:14

Hey guys just said I'd say hi...

Been riding motorcycles since I'm 16 but only started driving cars 2 years ago and after a Corsa, and an Avensis I decided it was time to buy a car that was a pleasure to drive, so I settled on an MR-S, and I LOVE it! :woohoo:

Welcome, looks like a clean car.
I used to go camping in Carrigtohill, Cork, I have fond memories of it.
