

Will wheels fit

Posted by dazzler mk2 - 2017/12/10 20:30

Hi lads ,

Quick question ,
Will Lexus is200 (alteza)
Wheels fit the mk2, I know they're
The same fitment (5x114.3)
But is the off set the same ?

Thanks

Thanks for that,
I have 17s on it at the minute
Is there a way to make them fit
The mr2 , or would they be way off ?

punch your size info in here and it'll tell you if tyres and wheels will fit.
this assumes standard suspension, not lowered or on coilovers etc
