

Stickers

Posted by dazzler mk2 - 2018/01/04 16:11

Hi folks ,

There was a lad on here called leesw20
From the UK who used to make custom
Stickers/badges ,
Does anyone have any details for him
His email lee@slickerstickers.co.uk
Seems to be out of action,
OR can anyone recommend some who does
The same thing
Thanks Darren
