How to?

Solvent and toxic free compound paste

Damp microfiber cloth

Carnauba wax to seal

Dry microfiber to polish off

Job done!

Thanks mate!

There's plenty of easy and quick detail stuff from my place.

Not always camera is on hand. I'll try to change this habit and post more here with pics.

Sound!

Glad you like it dude! Simple and gentle to paintwork.

Below link to the online shop if they want to get it through there.

More stuff there.
