Lucky pants.

Description: White boxer shorts with a brown stripe up the back.
Of great sentimental value as they were a present from the Mammy.

If found, please return to rightful owner.

Thanks.

I was yesterday, but not today. Was just thinking, Monday stinks! What can I do to give people a lil chuckle and take that shite edge off the day?

Thought a few people might have said something, surprised I didnt get a ton of confused and curious replies, but no worries, I knew Spanky would deffo reply.

:yes:
