I was thinking of this earlier a midland meet around Durrow or Cullahill for all the club member to meet up.

I won't be going as the car is still off the road but would be well up for it when I am back on the road after xmass if it was made a regular meet.

Any suggestions for meets around the country are more than welcome - we're planning to join in with the Driver.ie meet down in Clonmel.

I'd be up for that. I'm getting me yolk serviced this weekend. I'm getting a good bit of work done (clutch, timing belt etc.) so I don't know how long it'll be off the road...;
