Ok, decent numbers so far for tonight, nice one. Keep em coming.

In terms of location, what are people hoping to do. Obviously the usual spot is McDonalds Drive Tru, past the Blanch Shopping Centre (for anyone coming for the first time) but at recent mini-meets and forum chat, there was talk of going in to the SC multi story for a photoshoot and ordering pizza.

What do you want to do so we are not all split in half meeting in different places. We need to set this in enough time for every attending to get a chance to check in here before they leave and know where to go. :where:

I'm afraid I won't be able to make it. The work drink is turning into more than A drink. So, the team got me a car space to leave the car overnight.

Have a nice slice of pizza for me :)

Yeah good meet. At first there was only four of us and I thought that was it for a while. Then mid maccers, a few more arrived. Nice mix too, first mini-meet where we have had one of each MK and deffo the first time I have seen four white MK2's together....and nobody brought a camera! :laugh:

Alan, fair play for coming along, nice to meet you and a nice clean car you have there. The full Toms kit looks well. Hope you become a regular at the meets. ;)

Hey all, sorry to have missed the meetup, unfortunately family commitments weighed in this time around. Hope it was a bit of craic anyways :)
