

## Front Fogs

Posted by Scooby - 2009/09/30 17:37

---

Hey folks

Im looking for 2 standard front fogs in good condition for Rev3 Turbo if anyone has them lying about and would be willing to post to me, can pay through paypal.

Cheers

=====

I think Pacman is breaking some RevII's at present, he'd probably have a set. There was a thread on here somewhere..
