

Roy Ash is breaking his car!?

Posted by Quandry - 2010/09/15 13:37

sad day :(

That's a horrible thing to do! Ah, it's easy to say that he should sell it as a whole but in fairness, it might be tricky to find a buyer for such a monster.

Whatever way you look at it, its a crying shame to break up that car. Sad day indeed. :(
