

Nardi Torino Steering Wheels

Posted by CarBen Fibre Creations - 2009/10/29 15:53

Nardi Torino Steering Wheels

330mm

Available in Suede or Leather

Information:

Nardi was the first company in the world to understand the effective contribution steering wheel design could make to car control. While leading the way with their refined tasteful styling, they continue to innovate, delivering steering wheels that meet the highest of driver demands.

HUB's/Boss Kits can be bought from any major supplier or Nardi themselves, please check the kit is compatible with the Nardi 6 bolt pattern.
