

CarBen Fibre Creations 2011 Group Buy Schedule

Posted by CarBen Fibre Creations - 2011/03/29 09:38

This thread will contain the information on group buys we will be running this year. With this being a new idea I will only be listing 6 months for this year so we can all get to grips with how this will work :)

Update 29/03/11: I have added information with links to the shop on each month and will be creating topics to link in below these shortly

Group Buy Information

The group buy will start on the 1st of every month to the last day of the month, no deposit is needed to secure your name on the list. Once the group buy is closed I will send out invoices starting on the 1st of the following month in order of the list. As soon as money is received we will start production and contact you with shipping details once the product is complete. Please keep in mind that with the high volume of products we may be manufacturing per group buy there will be some delay in you receiving it, if you would like to know an exact time get in touch :)

Discount Amount

Each group buy will qualify for the following discount:

1-4 - 5% Discount

5-9 - 10% Discount

10-14 - 20% Discount

15+ - 25% Discount

The list below will be updated everytime a poll is finished with the information of the product and a link to the thread.

July - Slam Panel In Carbon

http://www.carbenfibrecreations.co.uk/product.php?id_product=256

August - CFC Wide Arches

Currently in production
