

## CarBen Fibre Creations & eBay & PayPal.

---

I would like to announce that over the next few weeks I will be limiting our stock available on eBay and also only accepting paypal payments for the items remaining on eBay.

If you would like to purchase from us you will need to do so direct at [www.carbenfibrecreations.co.uk](http://www.carbenfibrecreations.co.uk) where will we be accepting all major credit/debit cards through another secure payment provider.

The reasoning behind this is due to recent the lack of support by eBay and PayPal, we have had many buyers trying to 'scam' us out of money and products so as a business I need to protect myself and withdraw from using these selling platforms.

Please note that the shop will be going offline for short amounts of time over the next couple of weeks while we intergrate the new modules. If you have any problems purchasing a product or have any questions please dont hesitate to get in touch.

Regards

Ben
