Carbon Ash Trays  
Overlay Only £25  
Plus P&P

### Information:

A single 100% real carbon fibre piece that fits over the top of your ash tray to create a very stylish carbon finish. We can supply the overlay only or a full ash tray already complete in carbon

### Installation:

Overlay will need to be secured using a strong contact adhesive. Some ashtrays may need sanding down to allow the overlay to fit on smoothly, please do not force the carbon overlay onto the ashtray lid it may split.
