

Future MR2

Posted by dshamrock2000 - 2011/10/30 07:50

Not sure if this is a repost?

Pretty sure we posted that before but may have been in the ft86 thread. Shame there's been no more news about it yet.

I think it was supposed to be running in a Nurburgring 24hour race although didn't see any footage of it going about. Anyone got any?
