

MR2 radio controlled cars

Posted by b4ss - 2012/04/17 21:34

Some really nice work going on here..

http://www.mr2australia.com/pop_printer_friendly.asp?ARCHIVE=true&TOPIC_ID=16904

Am i tempted enough to see if i can get lexan body for my 1/8th scale.....hmmm

Berk exhaust looks dead cool!

Sort of looks a bit like Anto's turbo in this pic:
