Posted by cozy90 - 2012/10/24 21:21

class job for 50 quid u couldnt go wrong

=====
Re: bargain bumper

Posted by white97mr2 - 2012/10/24 21:37

I thought so anyways it will cost about 150 to repair, spray, and fit but will transform the front of the car set of skirts and spats then job done

If you look at where it says white97mr2- to the right of your posts,you will see 3 little boxes underneath where it records the number of posts you have made that say online-pm-profile. If you click on pm under his picture you can send him a personal message. Hope that explains it.
