

***** Announcement: New Wesbite Launch *****

Posted by CarBen Fibre Creations - 2013/01/20 16:25

Announcement:

Launch of CarBen Fibre Creations new website, our new site now includes:

News: News feed which will contain updates for the website and new projects (also included in the forum)

Online Store: Upgraded to the latest version and now available on your mobile

Forum: Forums to chat about our products and request new projects

Calendar: To see which events are coming up and what we will be attending

Members Gallery: A gallery for you to upload photos of your cars to

Wiki: A wiki page which will contain documentation relating to the install of our products

Contact: Contact page via the Online Store

All these are now available; our online store isn't complete yet but will be over the next few days.

We have also decided to use twitter a bit more, you can follow us here: <https://twitter.com/carbenfibre>

Our Facebook Like Page: <https://www.facebook.com/carbenfibrecreations>

Our Facebook Discussion Group: <https://www.facebook.com/groups/carbenfibrecreations/>

If you have any feedback, suggestions or comments please let me know

Thanks

Ben
