

## New To Site and Mr2s in General

Posted by Bubba - 2013/04/14 15:02

---

How's it going my name's Gary known as Bubba.  
From Derry up North.

This is my first MR2 and it seems to be a love-hate relationship lol one minute I hate it then I love it for a long time after lol

Here's a few quick snaps of my 2, I need to get some proper pics from further away. Was thinking on getting the black back plate between the lights as I seen a red one with this and really liked it.

1997 Toyota MR2

91000 miles

Recently had 4 new Hancock tyres,  
brand new performance clutch fitted,  
new clutch master and slave cylinder  
stainless steel exhaust,  
drilled and grooved front disks with red stuff pads,  
cone air filter,  
CD player and 10 disc CD changer,  
electric windows, electric mirrors, electric aerial,  
unmarked cloth interior,  
front fogs,  
lip spoiler,  
alarm system and remote central locking,

Massive folder of receipts for everything since new including original bill of sale and original Toyota handbook with full service history.

Previous owner owned and looked at lots of MR2s before he found this one, you literally will not find a cleaner or better looked after one than this. Previous owner had a genuine Toyota garage look after it and always had genuine Toyota parts fitted.

Welcome Bubba ... nice tidy one  
With the age of these cars, there are bound to be some moments when we hate them ... but we can never stop loving them :-)

---

thanks for the warm welcome folks :)

hoping to relight to fire with my cars and attend some meets over the summer also.

Whats KC stand for also?

kc is a karma click its like a rating system for each member you can get kc by giving good advice or stuff like that. your score is next to your name you can either give good karma or bad karma to a member who has helped you or done you wrong :)

=====

**Re: New To Site and Mr2s in General**

Posted by Infamous - 2013/04/15 00:19

---

Stands for karma click, your karma count is just left of your name every time you post. They are usually given for good turns, helping someone out or positive contributions.

Very impressive car Bubba. Looks spectacular in red and from the list of jobs it seems like it is very well looked after.
