

evening wash n polish

Posted by greg 1973 - 2013/05/06 21:44

My favourite part of a sunny day,
When I come back from a run in the 2 n its
Bath time for her... then shes all shinny for the
Next day.... n not forgetting my other little pride
N joy the family run about cheers to erin for
Sending me in that direction class motor ;)

I've never driven one but have been in a few taxis in my time, well finished motor going for feck all money, mainly because of the tax band...but we see the bigger picture B)

Theres someone in work looking to get a new car to save 400euro a year in motor tax....madness :blink:
