

## Anyone know this car?

Posted by Bommie - 2013/08/06 23:32

---

anyone know this car or if it's still on the road? It was my first car and always regretted selling it but needed the money to put myself through college. Had a full respray and was minded like a baby, 92 kk 1137

Gone to the scrapyard in the sky most likely - the inlaws still have a 92 corsa saloon tis a ball of shite to drive though

That's about the only one I've seen on the road - infancy early 90s stuff is starting to get rare on the roads now
