Nothing to see here

First off: insurance wise - €1050 - shitty €50 discount = €1000 over 50% dearer from what I'm paying elsewhere :unsure:

Secondly: 2cent off fuel is an awful deal in comparison to the weekly rate with the topaz motorcheck.ie card -

e.g 161.9 PUMP Price(-2 discount) = 159.9 (TLC Card)
- 156.7 (this weeks motorcheck.ie topaz card rate)

Well if they are going to spam every toyota forum they may as well offer a worthwhile deal.
