Right I was thinking of doing a run out by spiddal and down by carna/cashel and then around by roundstone to clifden and there are plenty pic spots to take along the way and a great view of the twelve Bens aswell and finish up around the sky road carpark for a view of the islands and sea.  
then could get food in clifden in station house?  
Meet in galway at 12.00 if anyone feels to change time to suit them then do.  
The trip/run from galway to clifden and back to galway is all around 130miles.

Ps were doing this run for joe o reilly.

How are you about the plan:

1100 Meeting and coffee on Briarhill DunnesStore Parking

1200 Convoy drive thru town and some nice view roads.

(could be Spiddal direction or north ; maybe somebody know nice places with good views that can accommodate that many cars?)

There is nice place: My proposition for start:

<https://goo.gl/maps/Ytw04>

or

<https://www.google.com/maps/dir/53.29084,-8.9862252/53.2502621,-9.1249979/@53.2624693,-9.0705268,13z/data=!4m14!4m13!1m10!3m4!1m2!1d-9.0486111!2d53.2724966!3s0x485b96e5a4b52cb3:0xf445fe19b7a8abc4!3m4!1m2!1d-9.063935!2d53.2660108!3s0x485b96ff6aaa3533:0xf2ae3d017b590987!1m0!3e0>

Was txtin Dan there. Luckaz time seems good but that might not suit lads from cork or dublin. 11 oclock suits to start meeting but I think we should leave heading off till half 12 or 1 to give everyone a chance. Punky I think its more or less the same route as last year. Dan will be on this evening to give a definite route. He is mad busy at work.

Getting close to the run now so fill yer tanks up and hope to see as many of you as possible tomorrow at 12 noon at Dunnes Stores Car Park, Briarhill, Galway. When you drive in to the car park KFC will be on your left but keep going and keep to the left past the entrance to the underground parking. There is a good space kinda away from the shoppers and the trollys.

As part of the run I am suggesting we drive out past Oughterard, Maam Cross and a few miles past hang a right for the Inagh Valley. Anyone on last years run will know how spectacular it is. Then take a left at the end and head towards Kylemore Abbey and on towards Clifden. Park up at the Station House Hotel for lunch followed by a cruise out the Sky road and return to Clifden and head for Carna/Cashla and Spiddal and finally meet up at the Aquarium cap park in Salthill.

Hows does that sound? Its just a suggestion so feel free to ad.

For those in the Dublin area, could we set up a location to meet before we hit the road? I'm thinking we should leave, no later than 9:00 does that sound reasonable?

Well lads sorry I've not updated this till now been so busy workin days and nights.

So I think pinky has a good IDEa but we will end up on route from clifden to Ballyconneely and roundstone great view of the twelve bens from there. Hope the weather is on our side. Gonna be a big meet hope all is set and ready for it. :woohoo:

So the route is

Oughterard then on to recess to take first right after,

Then through Inagh valley along by kylemore abbey,

Head for clifden for food should be bout 2 by then if we leave for 12. Station house hotel.

Then head for sky road and take few pics and then on to Ballyconneely and roundstone heading home.

;)

My Personal statistic for the day:

171.9 Miles from Loughrea to Galway and all the trip and back to Loughrea.

Lots of fun

9.9L/100km or 23.8 MPG

Best View from mirror - girl walking some footpath and behind her back first MR2 passing by. She's turn around and just following all cars on nice plenty bends road on the way back from Clifden. Good weather and beautiful landscape!!!

Thanks Dan for picking the roads!!!

What a day. It was great fun and nice to meet everyone. Weather held together pretty well. I will upload photos asap. Big thanks to all who travelled especially to the Cork boys and Dublin gang. This yearly meet is really turning out to be a good drive. Maybe someone can organise one maybe around Athlone for later in the year say September. That should make it fairly accessible for the majority from around the country....

Great Drive! Good weather, Great cars, Great Drivers.

KC's all round, I'll be the week at it.

Will post pic soon.

Filled the tank, Sat morning, drove 629 km. Started at 8am and parked up the car at 11:30. and would have drove another 600km.

B)
