Welcome. See ya around in Galway.

You may enjoy to come on cars & coffee every second Sunday Monthly Briarhill parking beside drive down underground parking.

Or every first Sunday Monthly in Limerick.

If we do any meeting this year my MR2 is onroad until end of May. I would not have toomuch ocasion to drive her until May but 23rd or 24th May would be the best if we like to start that thread? !?

Similar as last year?

Enjoy site and car :)
