

Front and back bumpers for Mk2

Posted by Turlock - 2015/05/10 18:13

Got them with my car incase I was gonna swap back but at this stage I'm not going to.

Need paint but they seem in good nick otherwise

Cheers Turlock

@Rex, I'll be putting an Aeroware splitter on this so you're welcome to the lip for nada. Fire me a message and we can arrange it

Hi,

If Paddy212 wants it, I am happy to let him have it. I would not be able to collect it for a few weeks.
