

MK3 Hardtop WANTED

Posted by Ryano - 2015/08/18 14:28

It's a long shot, but after a fallen through deal today, I was wondering if anyone would part with a hardtop, or know where to look for one? Cheers in advance.

Keep an eye on donedeal, adverts.ie and the like.

Alternatively, check with the bigger breaker yards, they could potentially have a few sitting on cars that are for breaking.
