Cars & Coffee, IDA Business Park, Southern Cross Road, will take place on Sunday morning, Feb 7th, meeting anytime from 10.30am onwards.

From M11 just south of M50, take exit 7 for Bray/Greystones R767, proceed straight through the next series of roundabouts to come onto Southern Cross Road, and turn right half way down Southern Cross Road to enter IDA Business Park. There is a sign for Coffee Delights at the entrance. Proceed straight ahead and park up to the left .

Take care on SC road to the complex, it is very easy to break the limit(60km/h) and it is often policed with speed traps.

This is a social meeting, run on a voluntary basis by Steveirl and V8 Damo, on the first Sunday of each month. All are welcome, but if you engage in any kind of commercial or business activity, or unsafe driving, you will be asked to leave, and not return.

Enter and leave the complex in a civilised fashion.

Use the litter bins PLEASE, do not leave your litter and empty cups in the Park.

Please ensure you have vacated the park by 2pm at the latest
