

Calendar Photo's ONLY

Posted by dshamrock2000 - 2010/05/07 02:06

Hi All, Just thought I'd start the ball rolling on getting your best pics submitted for our 2011 Calendar: Please read the below:

- 1) Photo's Only & a brief description of where it was taken and when, No comments or idea's in this thread, these can be discussed on the other thread
<http://www.mr2.ie/index.php/mr2-forum/29-photography/7209-2011-calender-ideas-thread?limit=30&start=30>
- 2) One Post per person! Once you post up your photo(s) please just edit the same post to add & delete your best photo's, this way we can keep track of all the submissions by each member easily.
- 3) Feel free to put up photo's of other members cars that you have taken as long as they dont mind
- 4) A week or two before the calender is designed, a vote will probably take place for the best photo's to be used for the calendar, you will need to send high resolution photo(s) if your photo(s) are voted in :) : to "mnixon & spanky" for it to look its best in the calender
- 5) Whoever took the photo is the legal owner of it, even if it was on your camera etc. You need to have the owners full permission for unlimited royalty free reproduction in the calendar

Spanky has also provided a link to photobucket.com if you wish to upload to it and use it as a link to show your photo's on here :clap:

Lads, its getting close to the time where we are going to have to choose photos for the calendar, One post per person with their 5 best photos, and just edit your post with updates of your 10 best photo's etc

You must have a few more pics by now Ozzy? :laugh:
Although to be fair, they are stunning shots, do the car a lot of justice.

Hi guys. Here are some shots of my 2 for the calender that I took in Bearna, Co Galway. As you can see they have not been edited as I don't have that level of expertise. I hope they are of interest and that somone can make them better in Photoshop....
